Digital Marketing: Meta/Facebook Ads Management, Social Media Strategy, Content Scheduling, Lead Generation

Business Tools: Microsoft 365, Google Workspace, Notion, Asana, Trello, ClickUp

RELEVANT PROJECTS

AI UGC Video Production — *Freelance Video Editor* | 2026 – Present

Produced a non-speaking UGC product video for a footwear brand from client-supplied footage, edited in Descript.

Created three 15-second motion-graphic spec ads (beauty, beverage, fintech app) in HyperFrames, with original music and sound effects.

Generate AI avatars and voiceovers with HeyGen and ElevenLabs, then edit in Descript with captions and dead-air removal.

Add B-roll to client-provided scripts and footage, screening AI clips to keep visuals realistic and on-brand.

Maintain a B-roll clip library catalog in Google Sheets for faster turnaround and asset reuse.

PROFESSIONAL EXPERIENCE

TE Connectivity — *Global Planning Analyst* | Mar 2022 – Sep 2026

Consolidated daily shipment data from 9 global freight forwarders into Air and Ocean dashboards for global planning teams.

Built an Excel VBA tool that automates the full daily reporting workflow from a single control workbook.

Ran daily data quality checks and delivered recurring reports on fixed deadlines.

Self-Employed / Freelance — *Social Media Manager* | Sep 2020 – Oct 2025

Managed Facebook pages for a milk tea shop, a pharmacy, and a dental office.

Created and scheduled captions and graphics that grew page visibility and engagement.

Handled customer inquiries and complaints to keep the customer experience positive.

Ran Meta/Facebook ads and adjusted strategy based on performance metrics.

EDUCATION

Bachelor of Science, Service Engineering and Management | Mapúa University | 2021
