

EUGENE PAOLO S. DIZON

Bookkeeper (Xero & QuickBooks Online) | Logistics Data Analyst

Pampanga, Philippines | epsdizon@gmail.com | linkedin.com/in/epsdizon/ | epsdizon.github.io/bookkeeping

PROFESSIONAL SUMMARY

Detail-oriented bookkeeper trained in Xero and QuickBooks Online, backed by 4+ years as a Logistics Data Analyst at TE Connectivity consolidating and validating high-volume data from 9 freight forwarders. Categorizes bank, credit card, Stripe, and PayPal transactions, builds Charts of Accounts and ledgers, and prepares Profit & Loss statements and Balance Sheets. Flags unclear items for client review instead of guessing, and automates repetitive work in Excel to keep books accurate and on time.

SKILLS

Bookkeeping & Accounting: Xero, QuickBooks Online (QBO), Bank & Credit Card Reconciliation, Stripe & PayPal Transaction Categorization, Chart of Accounts Setup, General Ledger, Profit & Loss Statement, Balance Sheet

Excel & Data: Advanced Excel (VBA Macros, PivotTables, SUMIFS, VLOOKUP), Data Cleaning, Data Validation, Audit Logs, Reporting

Business Tools: Microsoft 365, Google Workspace, Notion, Asana, Trello, ClickUp

RELEVANT PROJECTS

Bookkeeping Practice Engagement — *Clarity Haven Consulting Ltd (Course Simulation)* | 2026

Categorized bank, credit card, Stripe, and PayPal transactions for a full month of client activity.

Built the Chart of Accounts and per-account ledgers using spreadsheet formulas (SUMIFS, VLOOKUP).

Prepared the Profit & Loss Statement and Balance Sheet; reports reviewed and approved by the course coach.

Posted unclear transactions to Suspense and logged client questions on a Query Sheet for follow-up.

Applying the same workflow in Xero through the course's Xero Setup Service module.

PROFESSIONAL EXPERIENCE

TE Connectivity — *Global Planning Analyst* | Mar 2022 – Sep 2026

Consolidated and validated daily shipment data from 9 freight forwarders into standardized Air and Ocean reports used by global planning teams.

Built Excel VBA automation that cleans source files (dates, error values, number formats), removes duplicates, and logs every correction for audit.

Ran daily data quality checks per forwarder, flagging missing references, invalid document numbers, and missing milestones for correction.

Delivered recurring daily and monthly reports, including arrival, ETA, and inventory aging reports, on fixed deadlines.

Self-Employed / Freelance — *Social Media Manager* | Sep 2020 – Oct 2025

Managed Facebook pages for local businesses (milk tea shop, pharmacy, dental office), creating content and running Meta ads.

Handled customer inquiries and complaints, and tracked ad metrics to adjust strategy.

EDUCATION

Bachelor of Science, Service Engineering and Management | Mapúa University | 2021
